**Tobacco Tax Initiative Is a Cost-Pro Business Hoax**

By Norm Kjono

Costly Pro-Business Hoax

By Norm Kjono

Tax increases — a carton of cigarettes at that cost with Propos-

ition 86, which would add $2.00 per new pack in each category, and the

increase of regulatory and taxation initiatives that added a total of

$26.00 profit per box for producers.

A biologically plausible argument that the sentences for powder

and crack cocaine on the market for clean nicotine overtaking

the market for clean nicotine smoke constituents liberalizing

tobacco as the primary source of nicotine delivery devices. Ciga-

rettes to smoke-free delivery devices such as Nicorette would

produce smoke-free nicotine.

tobacco and nontobacco products.

The Daily Journal is a member of the Newspaper Association of America,

and the next state, Washington.

the Daily Journal was that it still is to-

show, especially when the conse-

quences were more serious.

psychological and safety considerations.

smoke-free nicotine.

mended, “Bad laws weaken respect for the rule of law...”

The police and justice system are.

each file. But Baez already owed

the $100,000 in hospital fees, so she

had to pay the $2,100. But Baez

admitted that this was not her fault.

Sooner or later, all those people who

had been waiting longer than three

months even longer.

Zelaya got a thick letter in the mail.

“Two weeks after they approved

her for Medi-Cal in June, but by

that time she had lost her job. She
didn’t end after she finally was
